

What is sexual abuse?	Can you name different kinds of sexual abuse?
Can you name all of the private parts using the doctor's names?	How might you feel if you have been sexually abused?
Is a child who has been sexually abused bad or nasty?	Who is to blame for sexual abuse? Is it the child's fault, or the person who did it?
Is it ever the child's fault when they have been sexually abused?	How can you tell that someone has been sexually abused?
Can you only be sexually abused by an adult?	How many kids get sexually abused? Do a lot of kids, or not a lot of kids?
Can sexual abuse feel good? And if it does, does that make it ok?	Is one kind of sexual abuse worse than any others?
