

Flip a coin into a cup. (player gets three tries)

Throw a ping-pong ball into a hat. (player gets three tries)

Crumble up a piece of paper into a ball. Put two objects (e.g., pencils) side by side to represent goal posts. Player must flick the ball through the goal. (player gets three tries)

Make a chain of paper clips long enough to wear as a necklace in 1 minute. (provide younger children with more time as needed)

Toss a bean bag or small ball back and forth with the clinician ten times without dropping it. (player gets one practice round)

Make a paper airplane in 60 seconds and demonstrate its ability to fly.

Balance a book (for younger kids use a tissue or napkin) on your head for 30 seconds.

Sort all cards in a deck into red and black piles in 2 minutes.

Write your name (younger kids draw a circle) on lined paper while closing your eyes. You must stay within the lines. (player gets two tries)

Make a small ball out of tissues and tape and toss it into a garbage can in 1 minute.

Crumble up a ball of paper and blow it across the clinician's desk in 10 seconds.

Draw a design on a piece of paper. Tear it up into 8 pieces. Then piece it together in 1 minute.

Fill a small cup of water. Use a straw to transfer water from this cup to a second cup. The water in the second cup should reach above a line drawn on the cup by the clinician. (player gets 30 seconds)

52 playing cards are thrown in the air. You must collect all the playing cards in 1 minute.

Turn around in a circle 10 times. Once you stop, draw a straight line on lined paper.

Kick your shoe into a box or past a line designated by the clinician. (player gets three tries)
