CURRICULUM GUIDE
NURSE PRACTITIONER

Educate tomorrow’s leaders with resources designed with a healthy blend of theory, practice, and scholarly inquiry that prepares students for advancement in a wide range of healthcare settings. Packed with ancillaries to support both teaching and learning, these resources facilitate success across all foundational outcome competencies.

Let us do some of the heavy lifting to create an engaging classroom experience. Look for icons throughout the guide indicating the resources available with each textbook.

Look for the eBook Logo on the front cover of your textbook to determine if it includes access to our online platform which offers:

- Full-text HTML and PDF access for you and your students
- Works in any browser and mobile friendly
- Digital images, figures, and formulas
- Embedded video and audio
- Question and answers
- Supplementary material
"Through inclusive access, we’re able to help students lower the cost of their education while delivering instant access to the materials they need for success in the classroom. Students get what they need, when they need it, in a convenient, lower cost format."

Mary Gatsch, CEO & Publisher, Springer Publishing Company

Providing Student Value Through Inclusive Access & Custom Solutions

We partner with various IA providers to further our mission of assisting students to obtain timely, cost-effective digital course resources. IA enables seamless access to content combined with analytics, giving faculty the ability to provide greater support for student success.

Support Our objective is to support you throughout your IA journey, whether your program is just beginning or well established.

Partnership We partner with you, your bookstore, student administration systems, and your LMS system provider to ensure a seamless solution.

Results The end result is to provide the content required, in the desired format, at the right time—at highly competitive prices.
