

JOURNAL OF COGNITIVE EDUCATION AND PSYCHOLOGY

Author Guidelines

The *Journal of Cognitive Education and Psychology* has three main sections: Theory and Research, Cognitive Education around the World, and Book Reviews. Manuscripts submitted for publication should be directed to one of these sections, but if the authors are uncertain in which section a paper might belong, that should be indicated in a letter accompanying your manuscript.

Manuscripts submitted to the journal will be subject to blind peer review; therefore, the author's name, degree, and affiliation (department and institution) should appear on the cover sheet only, which should also include the article title and the complete mailing address, e-mail address, and telephone number of the author designated to review proofs.

Manuscripts must be prepared according to the *Publication Manual of the American Psychological Association*, 7th Edition. Articles should include an abstract of approximately 100 to 200 words that briefly describes the main points presented in the manuscript—including hypotheses, study design, major conclusions. Economical writing is preferable and details should be left for the body of the paper. Authors should list three to five keywords below the abstract.

The recommended length of manuscripts is 12 to 20 pages, including tables, figures, and references. The expectation of economy of presentation is driven by consideration of readers' time rather than by page limits. Appendices are discouraged.

All illustrations and photographs should be submitted as separate graphics files (in .jpg or .tiff format at 300 ppi or higher resolution, or as .eps files). Contributors are responsible for all statements made in their manuscripts and for obtaining written permission from copyright owners for illustrations, adaptations, or lengthy quotes.

Manuscripts should be submitted via ScholarOne at <https://mc.manuscriptcentral.com/jcep>.

COPYRIGHT TRANSFER AGREEMENT

It is a requirement for the journal to receive a signed Copyright Transfer Agreement (CTA) for all contribution types. This has been integrated into the submission process so authors no longer need to download a separate form. All authors who submit their manuscripts to the journal agree to transfer copyright ownership to Springer Publishing Company in the event that the article is accepted and published in this journal. In the event that your paper is rejected or withdrawn, the rights revert back to you.

POLICIES AND STATEMENTS

It is the responsibility of the author(s) to read Springer Publishing Company's journal policies and statements at www.springerpub.com/journals-policies-and-statements. Conflicts of Interest, Statements of Informed Consent, and Statements of Human and Animal Rights must be included when you submit your manuscript. Failure to do so may result in your manuscript being returned to you.
